BEER

ALPINE LAGER	ABV	POT SCHOONER PINT
	4.5%	7 10 13

A crisp, refreshing New World lager with subtle floral & tropical flavours sourced from our local hop growers.

HELLFIRE AMBER ALE	5.0%	7 10 13
---------------------------	-------------	--------------------

A modern English amber ale, packed full of flavour. Malty & nutty with floral hops, fruity yeast & a background caramel sweetness.

BLOWHARD PALE ALE	5.0%	7 10 13
--------------------------	-------------	--------------------

Big tropical & fresh citrus hop aromas explode from this American-style Pale Ale. Juicy passionfruit hop flavours & a firm bitterness.

M.I.A. IPA	6.5%	8 12 16
-------------------	-------------	--------------------

MIA IPA is all about the hops! This American-style IPA is a celebration of juicy, tropical, floral hops, with a well-balanced bitterness and a malt structure that just lets the hops sing.

STAIRCASE PORTER	5.7%	7.5 11 15
-------------------------	-------------	----------------------

A smooth & full-bodied blend of dark roasted & caramel malts. Complex layers of creamy espresso, bittersweet chocolate & toffee.

BRIGHT SOUR	3.5%	6.4 9.3 12.2
--------------------	-------------	-------------------------

As crisp as fresh mountain air and with a light, tart taste, Bright Sour is an easy-drinking mid-strength sour ale with a refreshingly zesty flavour.

PILOT SESSION ALE	2.9%	5 7.5 9.9
--------------------------	-------------	----------------------

Big on flavour yet low on alcohol. A modern session beer offering full hop flavour without a huge alcohol kick or biting bitterness.

BRIGHT BREWERY

MOUNTAINCRAFTED

At Bright Brewery, we brew award-winning MountainCrafted beer.

Inspired by the mountains, trails & Alpine environment that surround Bright, our brewers passionately make full-flavoured craft beers that showcase the best of the High Country.

We use local, natural ingredients like fresh Alpine water, locally-grown hops, & innovative brewing techniques.

We minimise the impact of our brewing on the environment by using solar power & pursuing sustainable practices, such as waste reduction & reuse of materials, as often as possible.

We are proudly independent, & are driven by our values to be Active, Sustainable, and Authentic in everything that we do.
